ANTI-SLAVERY STATEMENT

Broome Weddings and Events is committed to acting ethically and with integrity in all our business relationships, and to ensuring fair, safe and lawful working conditions across our own business and our supply chains.

As a small, family-owned Broome business, our supply chain is well known to us. We maintain a Trusted Supplier list, and suppliers must demonstrate operational excellence, industry experience and ongoing adherence to our standards to earn and retain that status.

We provide written agreements outlining terms and conditions for all employees and contractors, ensure all workers are free to leave their engagement at any time, and pay wages and entitlements at or above legal and industry standards. We do not charge recruitment or engagement fees to any worker.

We are committed to continuous improvement in this area as our business grows, and welcome engagement from corporate clients and partners who share this commitment.
